Let's Pray!

September 2023

HOW TO USE THIS PRAYER DIARY

Go to the first entry with Mike C and enter the number of the day of your birthday next to it. Then number all the following entries in order until you reach 31. Then continue with 1 until you get back to where you started. If we all do this, it will ensure that every item on the diary will be prayed for by somebody most days. We have tried to include all the ministries and known needs across Keighley in St Andrew's, St Barnabas, St Mark's and St John's. Please let us know if there are other things which should be included and this can be done next time the Prayer Diary is updated.

HERE IS A PRAYER TO USE EACH DAY

*God of mission,
who alone brings growth to your church,
Send your Holy spirit to give
vision to our planning, wisdom to our actions,
joy to our worship, and power to our witness.
Help our churches to grow in numbers,
in spiritual commitment to you,
and in service to our local communities,
as we are seeking, sharing and growing together in Love,
through Jesus Christ our Lord.*

Amen
